Re: Civil Case No. 27-CV-09-2277 (Brown v. Jordan Area Community Council)

Dear Court Administrator:

Enclosed for filing please find:

- Plaintiffs notice of motion and motion for partial summary judgment;
- Plaintiffs' Memorandum of Law supporting their Motion for Partial Summary Judgment;  
and
- Transmittal Affidavit of Jill Clark, Esq.

Filing fees will follow by U.S. mail. Plaintiffs wish to apprise the Court, that following the hearing last week, and despite my firm's immediate phone calling and emails, the Briggs firm did *not* allow Plaintiffs to view the transcripts at their offices. Five days were lost, until eventually, on January 19, 2010, that firm supplied Plaintiffs with a list of which reporters transcribed which witnesses. We started getting transcripts yesterday. Not all have been received. Plaintiffs did not want to seek another continuance, so they have briefed this matter with blanks, reserving the right to supplement once all transcripts have been received.

Sincerely,

Jill Clark
