**Plaintiff's Motion to Strike  
Pleading of Non-Party Society  
of Professional Journalists**

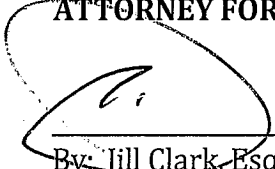

Defendants.

---

**PLEASE TAKE NOTICE THAT**, Plaintiff hereby moves this Court to strike the pleading of the non-party Society of Professional Journalists ("Society") pursuant to Minn.R.Civ.P.12.06, because the pleading is: 1) not in Compliance with Minn.R.Civ.P. 11; 2) Redundant; and 3) Immaterial. ***Plaintiff does not seek oral argument on this motion.*** Rather, he seeks a ruling prior to May 31, 2011 striking the pleadings and the purported "oral argument" of the Society, because the non-party, non-intervenor Society is not properly before the Court. See further in Plaintiff's Memorandum of Law supporting this motion, as well as proposed order.
